"Donated by Rob & Kay Hill"

Anniversary Golf Format

Each hole will have 3 players marked for playing a scramble and 1 player playing their own ball (the Anniversary Ball). The team score will be the scramble score plus the anniversary ball on each hole.

Scramble: Each of the three players tees off. Choose the best drive and all hit from that position. Again, choose the best shot and all hit from there. Continue until the ball is holed out.

Anniversary Ball: Each team will have a WBVGC Anniversary Ball. The person marked on the hole to play the individual ball, plays the anniversary ball and their net score for that hole is counted towards the team score.

To get your final 18-Hole Score, you subtract your team handicap.

The Team that finished dead middle on each course will be the Champs, winning the Custom Bags
