OTHER RELATED EXPERIENCE:

My leadership skills and management experience enabled me to make a positive contribution as a Board Member for the past three years. I served as Director of Communications/IT for one year, as President for one year, and am currently in charge of managing the operations of and improvements to WBVGC facilities.

With my experience in managing very large budgets as well as the financials of my own business, I can help identify potential areas of cost reduction. I also realize that some new expenses are necessary due to the age of our course. I will strive to enhance our club's value to our members, both current and future.

OBJECTIVES AS A BOARD MEMBER:

To update and improve the condition of our facilities so that we can be as proud of them as we are of our two golf courses

ADDITIONAL COMMENTS YOU MAY WISH TO MAKE:

Serving you, the members, and working with the other Board Members has been a rewarding experience for me. I would like the opportunity to continue to work on the LIP Project and our Facilities upgrades until they are completed.

I AM A MEMBER IN GOOD STANDING, I HAVE PAID ANNUAL GOLF DUES, AND I AM NOT AN OFFICER OF A WBV GOLF ASSOCIATION.
